

# REQUEST FOR CUSTODIAL FEE REIMBURSEMENT FORM

This form is used if you purchase Class A shares in the offering net of commissions through a registered investment advisor with whom you have agreed to pay compensation for investment advisory services or other financial or investment advice and if in connection with such purchase you agreed to pay a broker-dealer for custodial or other services relating to holding the shares in your account.

- We will reduce the aggregate purchase price of your shares, resulting in an increase of total shares received, by the amount of the annual custodial or other fees paid to the broker-dealer in an amount up to \$250. If no amount is stated below in Section 2 of the form, the standard fee (as notified by the custodians — which does not include negotiated rates) will be applied.
- Each stockholder will receive only one reduction in purchase price for such fees and this reduction in purchase price is only available for the stockholder's initial investment.
- **You must include this form with your subscription agreement if you wish to have the purchase price of your initial investment in shares reduced by the amount of your annual custodial fee.**
